A Gift of Life from the Supreme Knights and the Knights of Columbus Iowa State Council.

On January 22 the 36th anniversary of the tragic Roe V. Wade decision at a Prayer Vigil for Choice Medical Clinic. Joseph A. Ramirez, Patrick T. O’Keefe and David A. Bellendier, presented the staff and board at IC3 with a check for \$41,000 for the new ultrasound machine. Choices Medical Clinic is one of two pregnancy centers that the Knights of Columbus is currently helping to purchase an ultrasound machine. The ultrasound machine that we are purchasing is a state of the art 4D color \$130,000 machine from Siemens Medical Solutions that they are going to sell to us for \$41,000.

What a Blessing!!!!

“Ultrasound technology opens a window into the womb and dramatically shows the humanity of the unborn even to the doubting eyes of those who may not have previously shared our regard for the sanctity of unborn human life. The Knights of Columbus is therefore proud to partner with Choices Medical Clinic by purchasing this powerful tool, which we hope and pray will save many lives.”

Carl A. Anderson Supreme Knight

Please pray with me every day that God will be with the staff, volunteers, clients and donors, so that Choices Medical Clinic will bring Glory, Honor and Praise to God.

Iowa City has three abortion providers and no functioning organization to provide an alternative to the pro-abortion counseling that those who are experiencing a crisis pregnancy are given. This is why your support of IC3 in establishing Choices Medical Clinic in Iowa City is so important. We thank you and we thank you on behalf of those who do not yet have a voice to thank you.
